# Teodo's secrets

This little town situated within the magnificent Bay of Boka Kotorska is blessed with pleasant climate, a lot of sunny days, good road and traffic connections, a lot of local attractions, beaches stretching along the coast, parks, forests an ornithological park, islands, attractive walks, luxurious marina Porto Montenegro, Luštica development complex, numerous sport facilities both in nature and on water, as well as with numerous events.

Tivat is the centre. People come here and return. You reside in Tivat, but there are also numerous nearby places to go and numerous activities you can enjoy: surrounding beaches, shopping, recreation, or nightlife. You can simply choose cycling, walking, sailing, or flying, if it is necessary. Nothing is so far from Tivat. There is silence and glamour as well. It caters for all tastes. Welcome.

# The Nobility and elite

## Local attractions

**Medieval summer house of the Buća family** is located at the very centre of the town. It is a type of fortified summer house unique at our coast. It was built more than half a millennium ago. It has been turned into the town gallery of Tivat, with a small open-air stage in this garden.

**Island of Saint Mark Stradioti** - peace, quiet, cypresses, olive groves, beaches, you can get there by boat or ship.

**Island of Lady of Grace** - religion tourism, island can be reached by boat or ship.

**The Island of flowers** - flowers, monasteries - can be reached by boat, ship, car or bike.

**Gornja Lastva** - is a village in the hinterland of Tivat, situated on the slopes of the Vrmac hill, 300 meters above the sea level. First mentioned in XIV century, this village is still a living community making it appealing to day visitors and tourists.

**The town park** - Extraordinary climate conditions make it possible for diverse exotic plants, brought by seafarers from all parts of the globe, to grow in the town park in Tivat, the largest one in Boka Kotorska.

**Vrmac - Hiking paradise** - Hiking along the paths at Vrmac, you may explore prolific plant species and enjoy the unspoiled beauty of nature and rural architecture revealing the building skills of former inhabitants of Vrmac. The highest peaks are: Sveti Ilija 785 m, Velji vrh 712 m, Cisti vrh 616 m, Popova glava 584 m, Sveti Vid 440m.

## Solila

Solila is a wildlife preserve. It is situated in the coastal area of Tivat Bay. The most interesting fact for tourists and birdwatchers is that this area is home to very rare bird species, such as flamingos or small cormorants. With its development and progress in the future, Solila has a tendency to become a real ornithological park.

# People and celebrations

## Tradition / The Bokelian navy

Was founded in the 9th century (in 809) and since then it has been functioning as the oldest organisation of seaman in our country and in the world.

These aforementioned costumes were made of valuable imported materials (cloth, velvet, silk) and they were lavishly decorated with gold embroidery, and finally they were produced in handcraft workshops.

Inhabitants of these areas mainly stayed ashore embraced by the sea. When they sailed, they would always return to their homes, olives, vineyards and dining tables. They have always been excellent hosts. During the XX century, they became well known craftsmen and artisans. Their work has always been of top quality - related to soil, sea, cuisine, as well as shipbuilding and overhauling.

Here, people have always been proudly celebrating and nurturing their tradition and customs. Feasts are organized to celebrate the life. There are a lot of reasons to organize a feast - state or religious holidays, carnivals, gastro festivals (which celebrate chicory, locust bean etc.) social gatherings etc. Feasts are not feasts without guests. Gastro evenings contained with folklore and music performances as well as numerous concerts., souvenirs exhibitions , sports events and many more. You can taste and comprehend our traditional cuisine, folklore and music, all that in one place.

# Gastronomy

## Gastro specialities

**Chicory** - the queen of the herbs, there are a lot of various recipes with chicory and Bokelian cuisine cannot be imagined without it.

**Local donuts** - local donuts are called "priganice". You can combine them with brandy, wine, honey or cheese and present national food.

**Carob** - the carob tree protected by the Tivat municipality. You can try many various recipes as deserts made with carob.

## Luxury marina Porto Montenegro

Porto Montenegro marina - a quiet seaport at the Adriatic Sea is situated at the very coast and with its architecture resembles nearby Venetian-period towns. It brings together: spectacular destinations, marinas and high quality service. Apart from the marina Porto Montenegro settlement is designed to meet the expectations of both yacht owners and crews, as well as other clients coming to visit the side - it includes spacious apartments at the coast, the unique restaurants and entertaining cafes. Moreover, it offers wide choice of sports, recreation and cultural activities and events.

Once the old war harbour for boats called "Arsenal", it is today a luxury marina. Shadows of the ships create a new story and a new life for this town.

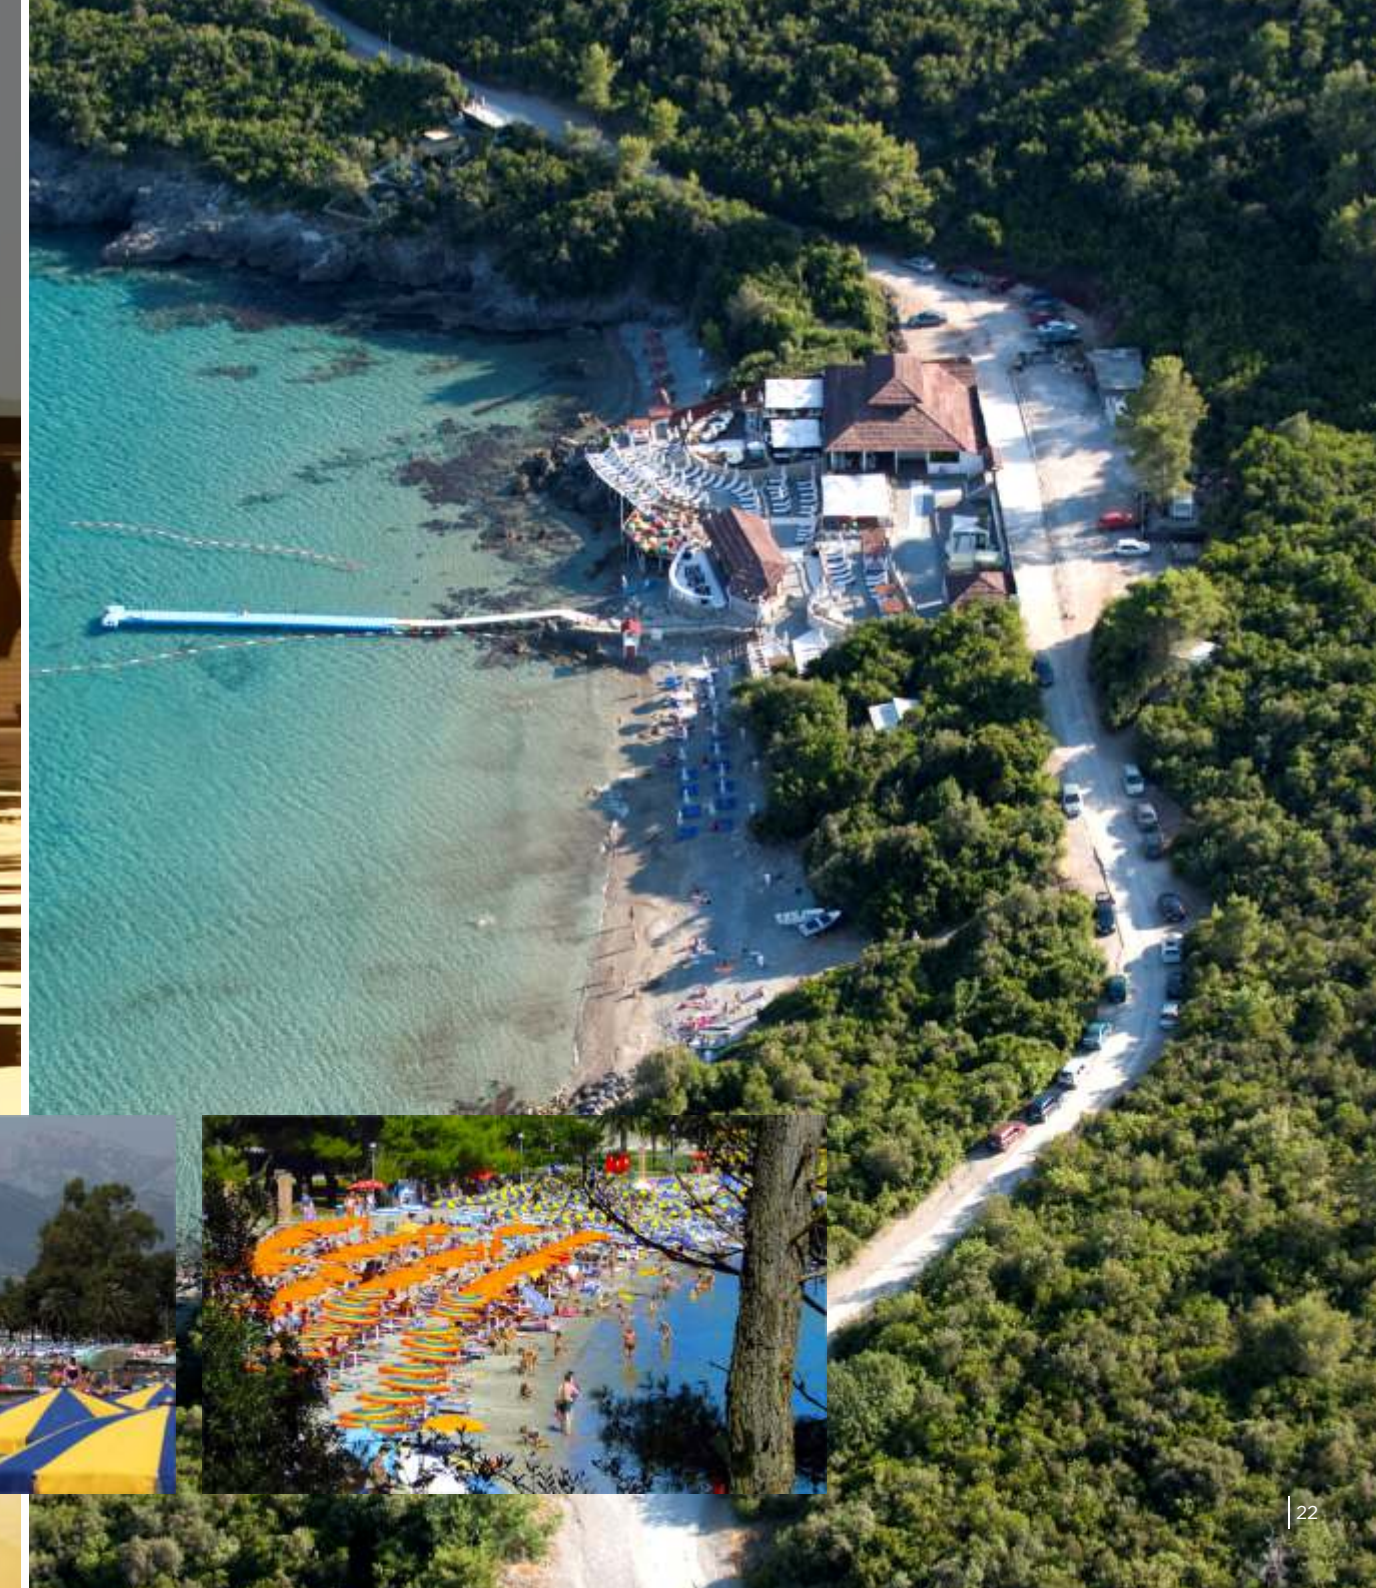

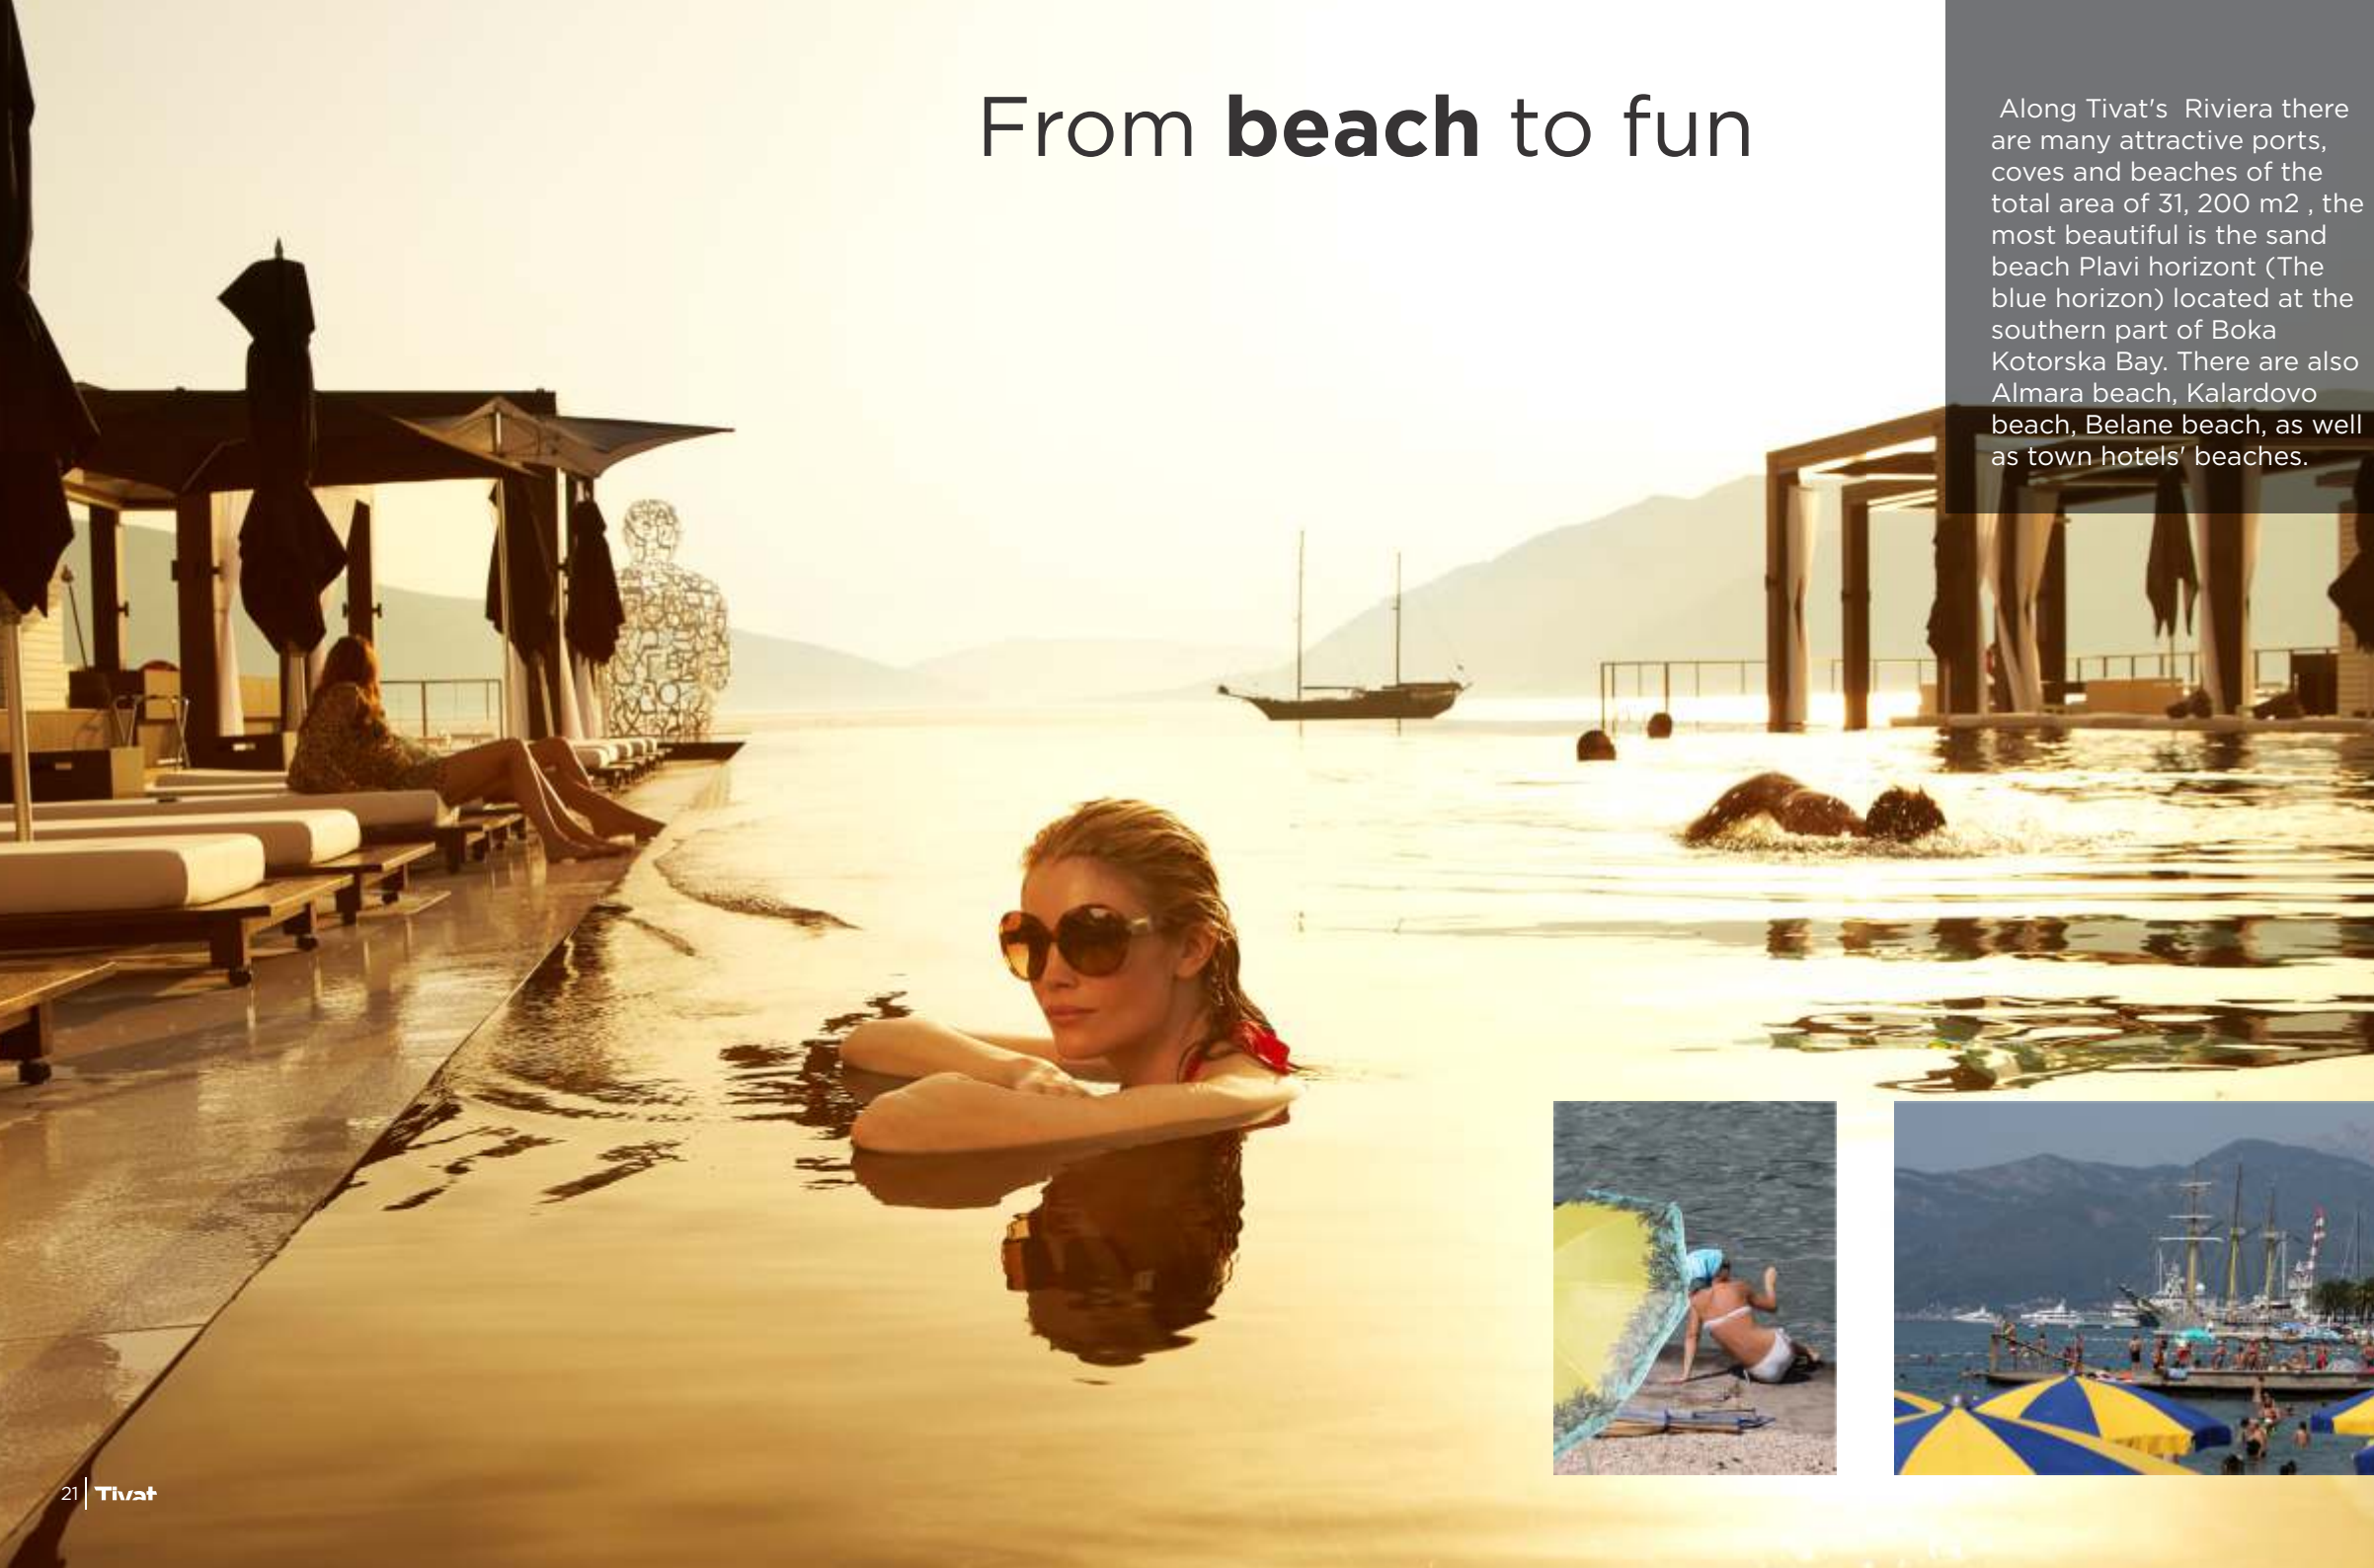

# A natural theatre

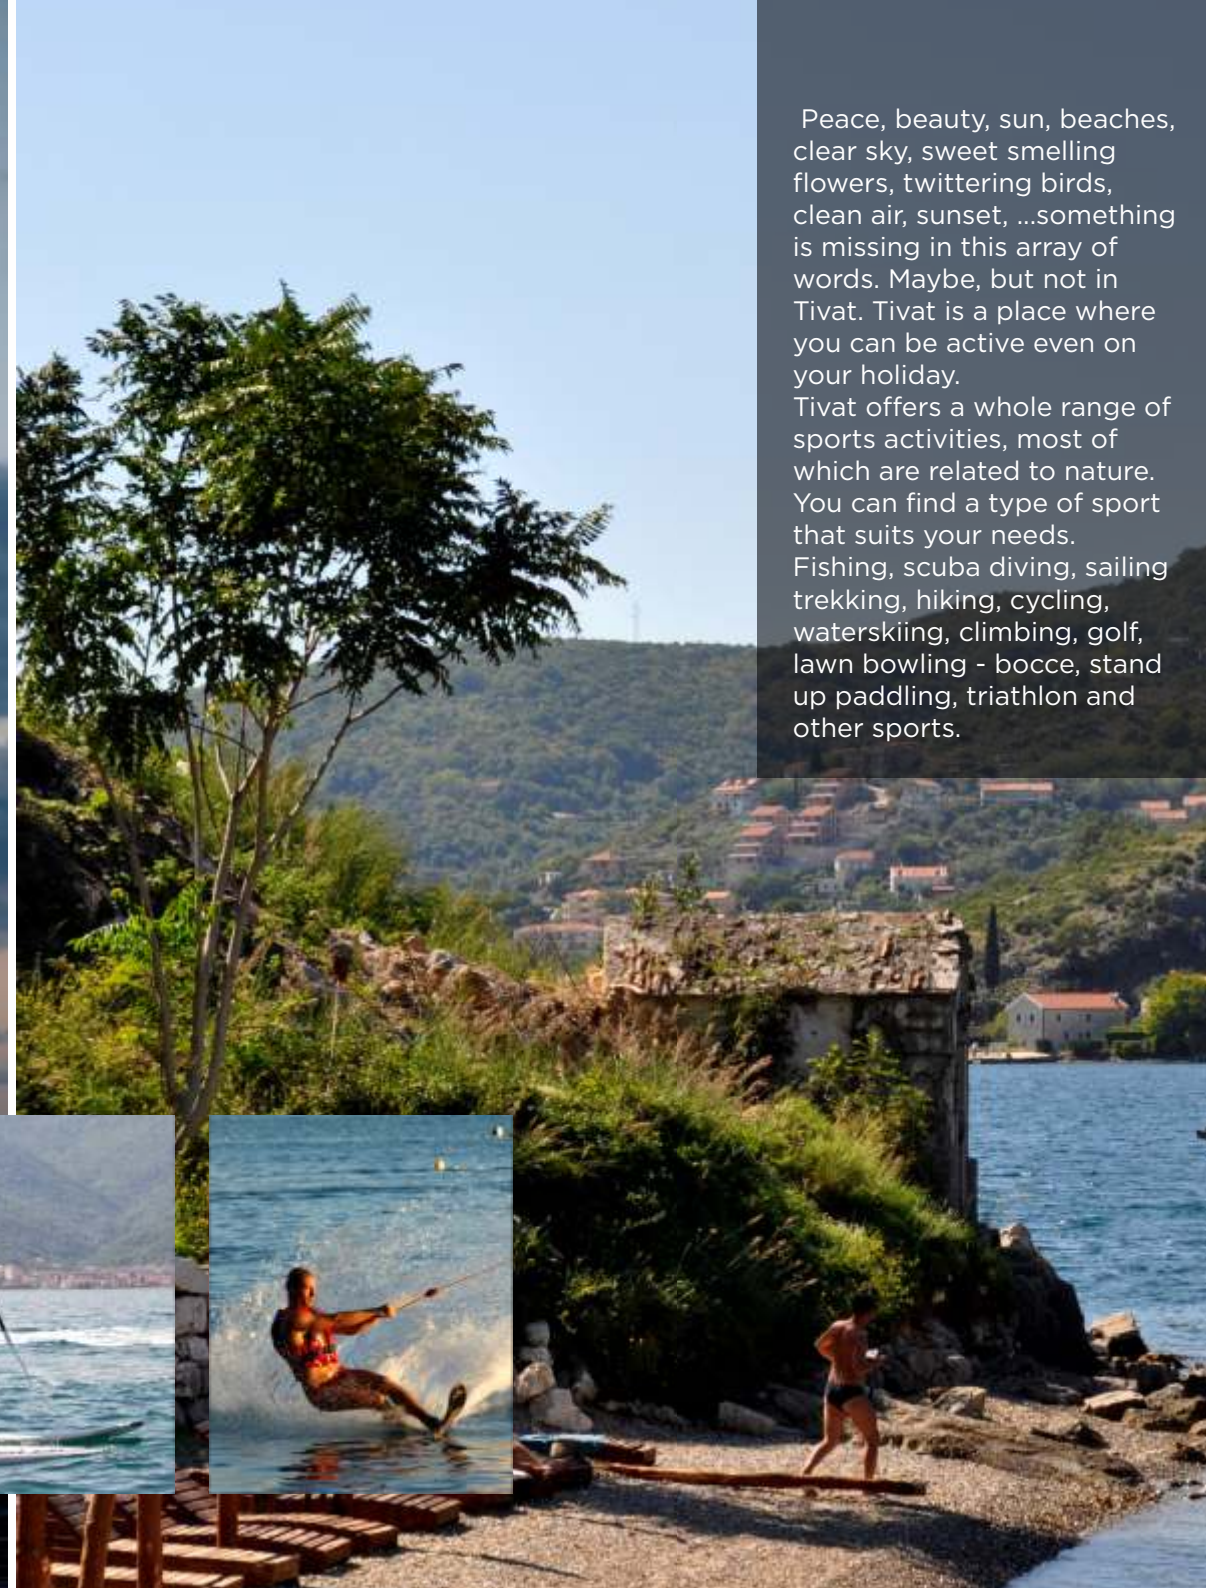

Seaside towns are natural theatre stages. They are livelier in the summer than in other seasons. The same is for festivals. Tivat is not an exception to that. "Purgatorije is a famous theatre festival in Tivat. Actually, this festival has evolved from the theatre, which had previously existed and defined the culture in Tivat for decades. The same is for music, folklore dance and film. During the summer, it all becomes more intense. This is the period when experiences exchange and a lot of artists meet here in Tivat. Tivat is the regional centre of the Mediterranean theatre, where Belgrade, Zagreb, Split, Dubrovnik , Rijeka, Skoplje, Ljubljana meet, as well as Italy , even Canada. Every year that follows will offer unimaginable possibilities.

# From **beach** to fun

Along Tivat's Riviera there are many attractive ports, coves and beaches of the total area of 31, 200 m<sup>2</sup>, the most beautiful is the sand beach Plavi horizont (The blue horizon) located at the southern part of Boka Kotorska Bay. There are also Almara beach, Kalardovo beach, Belane beach, as well as town hotels' beaches.

Peace, beauty, sun, beaches, clear sky, sweet smelling flowers, twittering birds, clean air, sunset, ...something is missing in this array of words. Maybe, but not in Tivat. Tivat is a place where you can be active even on your holiday. Tivat offers a whole range of sports activities, most of which are related to nature. You can find a type of sport that suits your needs. Fishing, scuba diving, sailing trekking, hiking, cycling, waterskiing, climbing, golf, lawn bowling - bocce, stand up paddling, triathlon and other sports.

**Discover your inner talents through active holiday and amusement!**

# Transport - traffic connections

The airport Tivat is only 2,5 km far from the town centre, to the south. It is well connected to Belgrade airport in Serbia, and is also suitable for transfer of passengers through domestic and international flights in Europe and from and all over the world.

See you!!
